

The Lily Method

The very best way to use Lily Organics creams and lotion is with the Organic Moisture Mist!!

Instructions: Apply mist lightly over skin...Learn more!

This locks in moisture all day or night long!

Did we say Samples???

Mention "I love Lily Organics" in your next online or phone order and receive a free sample of our Balancing Facial Lotion!

Q. *What skin types are Lily products formulated for?*

A. We have many products that are for specific skin types, but the American consumer does not seem to be ready for the concept that many natural products do not need to be limited to specific skin types. For example, Lavender historically has been used for oily skin and then again for dry skin, it has been used as an aphrodisiac and then again to remain chaste, the point is it is balancing.
